To whom it may concern:

This document indicates permission to use the DERS-18 for academic and clinical research purposes. Permission is also granted for translations of the DERS-18 into languages other than English for academic and clinical research. Permission is NOT granted for use in for-profit research, nor is permission granted for sale of the instrument or its use in materials which would then be sold. This document does not alter copyright ownership of the DERS-18 from its original authors.

When using the DERS-18, please cite the following manuscript regarding its development, reliability, and validity:

Victor, S. E., & Klonsky, E. D. (2016). Validation of a Brief Version of the Difficulties in Emotion Regulation Scale (DERS-18) in Five Samples. *Journal of Psychopathology and Behavioral Assessment*, 38, 582–589.
